Newsletter for December 2018

The budget bill must pass by Friday or many federal agencies will close. I believe they will pass something. It will probably have a 1.9% increase in salary for Federal Employees. Retirees under CSRS will get a 2.8% increase and FERS will receive 2%

I doubt that Medicare and Social Security will change. I will keep you posted.

It was a good year for Government Benefits Consulting. We hope yours was also good.

We wish everybody a joyous Hanukah, a merry Christmas and a great New Year. It is our pleasure to meet with the participants in our lectures. Looking forward to meeting our friends.
